Once upon a time, a great man lived in a big house... The great man organized many parties in his house. It was fantastic, magic..

But guests didn't know him ! The great man was mysterious !

He invited his neighbors to get acquainted. He had come and gone every place, unimaginable !

But, the great man, mysterious, withheld a secret and a history with many sufferings...

**The Great Gatsby** is a popular novel studied in high school in the United States.

The film has the same director that **Moulin Rouge**, a touch of the same sense of show, a music full of rhythm and a soundtrack with famous singers :

[-Kanye West](#)

[-Florence & The Machine](#)

[-Fergie](#)

[-Beyoncé](#)

And others !
